

The Power of Your Donation

HOW YOUR DOLLAR GROWS

You work hard and donate \$1.00 to the United Way Community Impact Fund.

With your local contribution, United Way of the Cape Fear Area is able to attract additional donations from our corporate partners and foundations.

United Way uses some of your donation to pay for things like grant writers, community impact experts, and electricity!

United Way uses their grants writers to write a grant that awards money to the Community Impact Fund.

Your \$1.00 donation has now grown to \$1.73! That \$1.73 will be used to help children, families, and neighborhoods right here in the Cape Fear Area!

\$1 = \$1.73

\$100 = \$173

\$10,000 = \$17,300
