GIVE NOW
United Way of the Cape Fear Area, founded in 1941, fights for the health, education, and financial stability of every person in our greater Cape Fear community.

With supportive services from 43 local partner agencies, we can build a strong and resilient community. Through volunteer, financial, and networking support, we work together to improve the lives of local people. Your workplace campaign helps United Way of the Cape Fear Area continue to serve as a foundation to meet critical community needs in **Brunswick, Columbus, New Hanover, and Pender counties**. You can learn more about our work at [www.uwcfa.org](http://www.uwcfa.org).

To make a significant impact in the community, we:

- Efficiently raise and allocate funds to support our greater Cape Fear community.
- Offer individuals and local businesses meaningful supportive opportunities such as workplace campaign, legacy giving, and emergency funding initiatives.
- Convene community leaders and volunteers to identify and address critical, unmet needs in our community.
With generous supporters like you, United Way of the Cape Fear Area is able to Amplify The Impact of charitable contributions and advance the outreach of programs, services, and initiatives that help heal our greater Cape Fear community.

"I am grateful that our community supports our local United Way, providing the same opportunity for young people as I had many years ago. If you are looking to make more than just a donation - to really make a difference - consider giving back to United Way."
